### How does this respond to feedback Metro received in Phase 1?

- More service outside of peak periods
- Improves connections to transit hubs
- Provides connections to Link light rail stations

- Improves connections between Renton Highlands and Bellevue

- \* Frequent - The bus comes every 15 minutes or less during peak periods and every 30 minutes or less during off-peak periods.

- \* Local – All-day bus service that does not meet the standard for frequent.

- \* Peak-only – The bus comes only 5-9 a.m. and 3-7 p.m. These are the times of day Metro and Sound Transit sees the most riders, usually regular commuting times, Monday through Friday.
